Web Services Charges

1. Shared Hosting :

For the purpose of convenience, Shared Hosting charges are announced in the blocks of 5 MB, 10 MB, 15 MB, and 25 MB etc. with certain assumption of traffic (amount of data transferred) generated by the site. The Hosting Plans and their charges are as listed below.

1.1 Hosting Plans & Charges :

Hosting Plan	Disk Space	Email accounts	Hosting Charges (yearly)
I	5 MB	1	Rs.4,500
II	10 MB	2	Rs.6,500
III	15 MB	3	Rs.8,000
IV	25 MB	5	Rs.12,000
	More than 25 MB up to 100 MB (Additional space in the units of 5 MB)	5	Rs.12,000 + Rs.1,100 (for Additional 5 MB)
V	200 MB	10	Rs.43,000
	More than 200 MB up to 500 MB (Additional space in the units of 100 MB)	10	Rs.43,000 + Rs.2,600 (for Additional 100 MB)
VI	600 MB	10	Rs.70,000
	More than 600 MB up to 1000 MB (i.e 1 GB) (Additional space in the units of 100 MB)	10	Rs.70,000 + Rs.2,600 (for Additional 100 MB)
VII	2 GB	20	Rs.1,43,000
	More than 2 GB up to 1000 GB (Additional space in the units of 1 GB)	20	Rs.1,43,000 + Rs.10,000 (for Additional 1 GB)

1.2 Terms & Conditions :

The following terms & conditions are applicable to all the Shared Hosting Plans

- If the requested Domain Name is under NIC.IN, the Domain Name will be registered for free of charge. If it is other than NIC.IN like GOV.IN, ORG.IN, .AC.IN, .COM, .EDU, .ORG etc...., it is the responsibility of the User Department to register the Domain name with the Domain Name Registrar
- User Department owns, updates & maintains the Content
- The User Department has to update the relevant files/ folders and transfer the updated contents to the server using the given Remote Updation Facility
- The Site will be announced in India Image Portal (<http://indiaimage.nic.in>) and banners are also placed on demand basis. The Site will be listed under the respective section of GOIDirectory (<http://goidirectory.nic.in>)
- The Site will be included in the GOI Search Engine and the site will be indexed daily to facilitate the GOI Search and local Site Search facility.
- Web based access to Web Site Traffic Analysis Reports will be given.
- Regular Backup facility will be provided
- The E-mail accounts offered with Hosting Plans will be under the same domain of Web Site and they are Web based POP accounts
- The user department can report the errors/problems related to the hosted Web Site in Web Based Support center available at <http://webservices.nic.in>.

2. Collocation of Servers

The User Department can collocate their servers in the NIC Data Centre for the want of large space & high performance of their web sites/applications. In such cases, NIC shall help them in the initial setting up of the server in terms of allocation of IP address, Provision of LAN port, configuration of the system etc. Subsequent management/administration of the server (h/w & s/w) as well as the hosted web sites / applications / databases shall be handled by the user remotely.

Collocation Charges consist of onetime charges for the initial set up & recurring charges based on the total traffic generated by that server. The Collocation charges are as given below

2.1 Server Collocation Charges :

Plan	Data Transfer	Collocation Charges (yearly)
I	200 MB/day	Rs. 75,000 + Rs. 25,000 (one time setup charges)
II	500 MB/day	Rs.1,75,000 + Rs.25,000 (one time setup charges)

2.2 Backup Charges :

If the Backup support is required for the Collocated Servers from the centralized backup infrastructure installed in the NIC Data Centre, the Backup Charges (in addition to Collocation Charges) are applicable as mentioned below

Backup Charges for one Collocated Server is Rs. 25,000 / - per year
--

The User Department also has to procure and install Backup Software & its Client License (used in NIC Data Centre) in the Collocated Server.

2.3 Terms & Conditions :

The following terms & conditions are applicable to all Collocated Servers

- Collocated Servers shall be rack mountable, preferably 1U, 2U up to maximum of 4U
- The collocated server needs any additional space on NIC's SAN, the charges shall be as per Shared Hosting plans mentioned above. This shall be in addition to Collocation Charges
- The server will be permitted to have maximum of five domains
- User shall also be fully responsible for maintaining the security & integrity of the websites hosted on the respective servers.
- Users shall be asked to sign a MOU primarily to agree on various terms & conditions related to content, services & security issues.

3. Billing Cycle

All the rates are applicable for one financial year. New users will be charged pro-rata on monthly basis from the month of commencement of service till the end of that financial year for the first year. Second year onwards the billing cycle shall be from financial year to financial year.
